Ah! I should have sent this to you, too, since I wrote about NMFS, which is part of NOAA.

Have a great day, Allison!

Thank you, Jenny, for revising the issue paper so quickly. Here are my suggestions:

10) Current court-ordered buffers apply to 3 herbicides and apply primarily to fish-bearing streams.

Original version:

10) Current court-ordered buffers apply to 3 herbicides and apply primarily to fish-bearing streams.

11) NMFS has completed BiOps (or determined BiOps were not needed) for most herbicides. Many of the BiOps did not call for streamside buffers.

(b)(5) deliberative

(b)(5) deliberative

A horizontal gray bar redacting the content of the first line.

(b)(5) deliberative

A large gray block redacting the content of the second line and the beginning of the third line.
